Engine oil

SAE 10W-40 UHPD

9.58072

DT Spare Parts Engine Oil 9.58072 is a universal, high-performance engine oil for diesel engines with and without turbochargers, particularly suitable for EURO 4 and EURO 5 commercial vehicle engines.

It guarantees a very good performance and enables the longest oil-change intervals in accordance with the recommendations of the vehicle manufacturer based on the following quality criteria:

- » Easy, low-wear cold-start as a result of good flow fluidity, even at low temperatures
- » Distinguished ageing and corrosion protection
- » Extraordinary wear protection and detergency
- » Excellent thermal oxidation stability and low vaporisation inclination
